

VIDEO AND AUDIO RECORDING OF ACADEMIC ACTIVITIES POLICY

The unauthorized video or audio recording of academic activities (e.g., lectures, course discussions, office hours, etc.) by students is prohibited. Students granted recording accommodations by Disability Service should notify each instructor and provide the Letter of Accommodation prior to using the approved recording platform in class. A student may record classroom activities with prior written permission from the instructor and notice to other students in the class that audio or video recording may occur. Any and all classroom recording must be for personal academic use only. The distribution, sharing, sale, or posting of recordings on the internet (including social media), in whole or in part, is prohibited and may result in disciplinary action.
