

# NURSING B.S.N. (PRE-LICENSURE)

## Program Learning Outcomes

1. Critical Thinking/Clinical Reasoning/Clinical Judgment: Use a systematic approach in assessing, planning, testing, and evaluating innovative and evidence-based solutions to patient care problems across a variety of healthcare settings.
2. Integration of Faith and Learning: Develop and articulate an understanding of a Biblical worldview in integrating values of truth, virtue, and service in personal and professional life and in providing Christ-centered leadership and service.
3. Ethical Practice: Demonstrate behaviors that integrate altruism, autonomy, integrity, social justice, and respect for diversity and human dignity across the lifespan.
4. Holistic Living: Demonstrate responsibility and accountability for self and nursing practice, engagement in life-long learning, and ongoing professional growth.
5. Communication: Use communication theories and techniques to promote communication and collaborative relationships with intra-professional healthcare team members, individuals, families, groups, and communities
6. Professional Excellence: Use a problem-solving approach in evaluating patient health status and in advocating for the patient and family, anticipating and reducing risk, and improving health outcomes.
7. Cultural Competency and Citizenship: Apply cultural competence theory in the care of diverse individuals, families, groups, communities, and populations across the lifespan and across the continuum of healthcare environments.
8. Information and Technology Competency: Demonstrate technology skills in locating, retrieving, applying, and evaluating the integrity of information while using information responsibly and ethically.
9. Leadership and Patient Safety: Apply leadership concepts, skills, decision making, and problem solving in the provision and oversight of nursing practice, and in advocating for equitable health care.

## Requirements

1

Course fulfills Core requirements

**VANGUARD**  
**UNIVERSITY**

2

Registration for the upper division courses in the Pre-Licensure program are predicated on acceptance into the Pre-Licensure program during the Spring of Sophomore year. Questions, contact the Pre-Nursing Advising Coordinator or the Chair of the Pre-Licensure Nursing Program.

3

NRS-385 Specialty Residency Elective is an elective course that may be taken, but is not part of the academic program requirements for the Bachelor of Science in Nursing for Pre-Licensure students. For more information, contact the Department of Nursing.

## Four Year Plan

**Disclaimer:** This sample Four Year Plan is provided as a guide for the recommended sequencing of courses. Vanguard University requires that students complete a minimum of 120 units of required course work as outlined on the Requirements tab in order to receive a Bachelor of Arts, Bachelor of Music, Bachelor of Science, or Bachelor of Science in Nursing degree. It is the student's responsibility to confirm with the department the course rotation before enrolling in courses. If applicable, please note the footnotes at the bottom of the page for additional information related to courses listed in a particular year and term. Questions, contact the Department of Nursing.

**Study Abroad Participation:** Students interested in participating in the university's Study Abroad programs are encouraged to reach out to the Global Education and Outreach Office (studyabroad@vanguard.edu) for more information and collaboration in their academic course planning. Students using Education and Training Benefits through the U.S. Department of Veteran Affairs are encouraged to also reach out to the School Certifying Official (veteranscertifyingofficial@vanguard.edu) for more information regarding how benefits can be applied.

Course	Title	Units
<b>Year 1 Term 1</b>
