

# EDUCATION M.A.: CONCENTRATION IN CHRISTIAN EDUCATION LEADERSHIP WITH A PRELIMINARY CREDENTIAL

## Overview

### M.A. in Education: Concentration in Christian Education Leadership with a Preliminary Credential

The Master of Arts in Education with Preliminary Credential and with Concentration in Christian Education Leadership is intended for the individual who wants to combine a California Preliminary Multiple or Single Subject Credential with additional graduate training in Christian Leadership. This program includes 9 credits of graduate work from the Leadership Studies component of the M.A. program in Religion.

### ADMISSION REQUIREMENTS FOR THE M.A./ PRELIMINARY CREDENTIAL PROGRAM

See Academic Policies, Admission Requirements

## Program Learning Outcomes

1. Become a teacher-researcher to enhance teaching practice
2. Link theory and research to inform instruction and assessment
3. Demonstrate a knowledge base of educational issues relevant to student learning
4. Plan curriculum that aligns methods of assessment with standards to inform instruction
5. Use multiple sources of data to assess student learning
6. Use theory and research to inform both formative and summative assessment
7. Demonstrate a collaborative work ethic to improve professional practice
8. Communicate clearly through appropriate methods and media, while monitoring, analyzing and adjusting for diverse settings and context
9. Engage in reflective practice that balances data driven decision making and human dynamics
10. Demonstrate a holistic approach to student learning that integrates faith and learning
11. Embrace God's calling to maximize personal teaching-leadership skills and to demonstrate the qualities of a constructive change agent in the educational community
