

EDUCATION M.A.: CONCENTRATION IN TEACHER LEADERSHIP

Overview

Master of Arts in Education – Concentration in Teacher Leadership

The Master of Arts in Education with a concentration in Teacher Leadership is designed for fully credentialed teachers who wish to enhance their leadership abilities by pursuing an M.A. in Education. This M.A. in Education option allows teachers to transfer in up to 6 units of graduate-level credit from another accredited institution of higher education.

Admission Requirements for the M.A./Preliminary Credential Program

See Academic Policies, Admission Requirements

Program Learning Outcomes

1. Become a teacher-researcher to enhance teaching practice
2. Link theory and research to inform instruction and assessment
3. Demonstrate a knowledge base of educational issues relevant to student learning
4. Plan curriculum that aligns methods of assessment with standards to inform instruction
5. Use multiple sources of data to assess student learning
6. Use theory and research to inform both formative and summative assessment
7. Demonstrate a collaborative work ethic to improve professional practice
8. Communicate clearly through appropriate methods and media, while monitoring, analyzing and adjusting for diverse settings and context
9. Engage in reflective practice that balances data driven decision making and human dynamics
10. Demonstrate a holistic approach to student learning that integrates faith and learning
11. Embrace God's calling to maximize personal teaching-leadership skills and to demonstrate the qualities of a constructive change agent in the educational community
