## Requirements

The ITEP Pathway integrates a Bachelor of Arts degree with a preliminary California Multiple Subject Teaching Credential by combining the study of academic subject matter for elementary school teaching with professional preparation and student teaching. Students must complete VU Core Requirements, Liberal Studies Program Requirements, and Teaching Credential Program Requirements to graduate via the ITEP pathway. This program follows standards established by the California Commission on Teacher Credentialing (CTC) and is an approved Elementary Subject Matter Waiver Program. ITEP is specifically designed for undergraduates who have decided relatively early (no later than Spring semester of Sophomore year) to pursue an Elementary School teaching career. Application process is required. Contact the Liberal Studies Department for more information.
